E kampeonato tabata un eksito i na un nivel haltu pa loke ta e kompetensia tumando na konsiderashon ku a establese 11 rèkòrt nobo. Ta bon pa menshona ku na final di April 2024, te ainda 7 di e rèkòrtnan aki ta registra komo rèkòrt di Carifta Games. Bale la pena pa menshona tambe ku durante e kampeonato aki pa prome biaha riba nivel mundial un ekipo di relevo U-18 a kore relevo 4 x 100 bou di 40 sekònde. E ekipo di Jamaica a marka un tempu di 39.97 kua te ainda ta konta komo e miho tempu na mundu pa relevo 4 x 100m mucha homber U-18.
Kòrsou pa basta aña ta un partisipante na Carifta Games. Prome komo parti di Antia Hulandes i for di 2012 komo pais Kòrsou.
Hopi atleta di renombre mundial di e region aki a dal nan prome stapnan den Carifta Games. Mi a haña ku ta bon pa dokumentá nos resultadonan den Carifta Games. Den luna di februari 2019 mi a kuminsa buska tur e resultadonan di Carifta Games for di 1972 t/k 2019. Na 2020 i 2021 pa motibu di e pandemia Covid-19 a kansela e di 49 edishon di Carifta Games. Durante di 15 luna mi a hasi uso di archivo di World Athletics (ex IAAF) i tambe e kompania CFPI timing pa haña e resultadonan di for di 1972 t/k 2019. Tabata un trabou hopi intensivo pa mi a yega na resultado di atletanan di Kòrsou ku a partisipa na Carifta Games. Komo ku ta resultado di esnan di Kòrsou mi tabata trahando riba dje mi a laga esnan di St. Maarten i tambe Boneiru afo ku a partisipa komo Antia Hulandes.
Mi tin ku rekonose ku mi no tin garantia ku ta resultado di tur atleta ku a partisipa tey. Den e prome añanan e dokumentashon di e resultadonan tabata basta defisiente. Tabata menshona solamente e tres prome puestonan. Mas despues tabata menshona esnan ku a bai final so. Den añanan nobenta a kuminsa dokumenta tur resultado pero no ta tur pais kaminda e evento a tuma luga tabata hasi esaki. Tabatin paisnan sede ku no a hasi un gran trabou pa loke ta konserni esaki. No obstante tin tòg un bista basta kla di nos partisipashon. Tambe tin un lista di e miho prestashon di atletanan di Kòrsou riba e diferente numeronan ku a partisipa riba dje. Mayoria di e miho markanan a ser establese e ultimo seis aña ounke tin dos prestashon ku ta di respektivamente 39 i 35 aña pasá.

Despues di publikashon di e prome vershon mi a konsidera nesesario pa agrega e resultadonan di 2022 t/k 2024.

Sinti bo liber pa komparti e dokumento aki.

HISTORIA.

Carifta Games ta un kompetensia anual di atletismo pa hobennan bou di 20 aña, ku a keda organisa pa Caribbean Free Tade Association (CARIFTA). E prome kompetensia a keda organisa na 1972 i tabata konsisti di eventonan di karedanan kortiku, distansia medio i di relevo, eventonan di salto i numeronan tekniko.
Den inisio e kompetensia tabata den kategoria mucha muhe i mucha homber U-17 i U-20. Na aña 2014 a kambia e kategoria di U-17 pa U-18 pa keda den liña ku e kategorianan di IAAF (despues di kampeonato mundial 2019 na Doha a bira World Athletics). Na inisio ta solamente e islanan di habla ingles por a partisipa na e kompetensianan.

Na 1972, Austin Sealy ku tabata presidente di e Asosashon di Atletismo di Barbados, a introdusi Carifta Games pa marka e transishon di Caribbean Free Trade Association (CARIFTA) pa Caribbean Community (CARICOM). E intenshon di Carifta tabata pa intensiva e relashon entre e islanan di habla ingles di region di Karibe despues di eliminashon di West Indies Federation. Pero Carifta a tuma e idea i a bai un stap mas leu i a inklui tambe e islanan Franses i di Antia Hulandes den e kompetensia anual di atletismo.
E kompetensia ta tuma luga tur aña durante tres dia den e wikènt di Pasku di Resurekshon i ta inklui mas ku 150 diferente numero. E kompetensia konose dos kategoria di edat pa mucha muhe i mucha homber di U-17 i U-20. Na 2014 a hasi un kambio di U-17 pa U-18 pa keda den konkordansia ku e kategorianan di World Athletics (tabata IAAF). E kompetensia ta kompletamente di akuerdo ku e reglanan di World Athletics ku ta e Federashon Internashonal di Atletismo.

Di akuerdo ku eks-presidente di Federashon Internashonal di Atletismo, Lamine Diack, Carifta ta na par ku e kampeonato mundial. E kompetensia ta ser konsidera komo e mihó kompetensia pa desaroyo di atletismo mundial. Despues di a kuminsa riba kancha di yerba ku atletanan kedando den skolnan o otro alohamentunan temporal, Carifta Games a kana un trayekto basta largu. E kompetensia ta tuma luga awor aki riba kanchanan na nivel mundial i atleta- i ofisialnan ta hospeda den hotelnan di nivel.
Coachnan di College, universidatnan i scoutnan di Estados Unidos ta bishita e kompetensia tur aña pa identifika i firma potensial prospektonan. Pa mustra e importansia di Carifta Games, tur aña e presidente di World Atlhetics, na e momento aki Sebastian Coe, ta bishita e kampeonato.

E kompetensianan a produsi atletanan ku a establese rèkòrtnan mundial manera Usain Bolt, Darrel Brown, kampeonnan olimpiko i mundial manera Veronica Campbell-Brown di Jamaika, Kim Collins di St. Kitts and Nevis, Pauline Davis-Thompson di Barbados, Alleyne Francique di Grenada, Obadele Thompson di Barbados, Kirani James i Anderson Peters di Grenada. Otro hecho ku ta bon pa menshona ta ku un atleta ku a partisipa den Carifta i ku a gana e trofeo Austin Sealy, ku ta Cydonie Mothersill di Cayman Islands, na 2024 a ser elehi komo miembro di direktiva di World Athletics.
Otro atletanan di renombre ku a partisipa na Carifta Games ta nos mes Churandy Martina,

Grace Jackson ku ta medayista di bròns na Olimpiada na Seoul, Merlene Ottey ku a gana 14 medaya na kampeonatonan mundial i na 1980 a bira e prome atleta di islanan di habla ingles den Karibe pa gana un medaya olimpiko.

Carifta Games ta kai bou di ouspisio di Konfederation Norte, Sentro Amerika i Karibe di atlteismo (NACAC). Kada miembro por partisipa ku dos atleta riba kada evento i por inskribi un kantidat di seis atleta pa eventonan di relevo (ku dos komo reserve) i tres atleta den eventonan kombina manera pentathlon i octathlon.

RESULTADONAN DI PARTISIPASHON DI KORSOU NA CARIFTA GAMES.

Kòrsou ta un partisipante fiel na Carifta Games. E kompetensia aki nunka no tabata bin na remarke pa supsidio pa partisipa ya ku gobièrnu via di na prome instante Bureau Sportzaken i despues Sedreko tabata supsidia solamente un biaha pa aña partisipashon na kampeonato regional. Partisipashon na Carifta tabata ser finansia pa mayor di atleta- i klupnan miembro di Curaçaose Atletiek Bond. Te ku 2011 Korsou a partisipa komo parti di Antia Hulandes i entrante 2012 komo pais outonomo. Manera partisipa den introdukshon a purba pa dokumenta resultado di tur atleta pero no tin garantia ku tin dato di tur atleta pasobra e sistema ku tabata registra e resultadonan tabata defisiente.
